### SHAMROCK'S KEEL CAST: WEIGHS EIGHTY TONS

GOSPORT, England, Nov. 26 .- Sir Themas Lipton, the British yachtsman, and a few friends were present to-day at the casting of the leaden keel of the Shamrock IV. at the shipbuilding yard of Charles E. Nicholson, the destgner of the new challenger for the America's Cup. The keel weighed

eighty tons.
"The Shamrock IV. is going to be the most wonderful ship ever known," Sir Thomis said. "There will be some-thing about her that will startle peo-ple when she is finished.

### **DISREGARD WARNING: 2 DEAD**

SOMERVILLE, N. J., Nov. 26 .- Disre garding the signals of a gateman at the Finderne crossing of the Central Rayroad of New Jersey, Charles Linky and Joseph Tomseck, employees of the Johns-Mansville plant, were killed last might attempting to cross in front of

The men went under the gates and cleared the track in front of an eastbound coal train, only to get in the way of a westbound passenger train. Linky killed in sight of fellow-workmen, and the excitement was so great that the men failed to notice Tomesck, and was several hours later before his body was found, several hundred feet from the crossing.

### NEW BRITISH BATTLESHIP.

DEVONPORT, England, Nov. 26 .-The British superdreadnought battleahip Warspite, an improvement on the Queen Elizabeth, was launched here today in the presence of an enormous growd. She is to be driven entirely by oil engines and has receptacles for the sterage of 4,000 tons of liquid fuel, sufficient to enable her to go around

The armament of the Warspite will consist of eight 15-lnch guns and several anti-airship guns. She was laid down on Oct. 31, 1913, and her estimated cost, when completed, is \$14,-AND A STATE OF THE PARTY OF THE

Market Closing-There was no change of consequence in market in late afternoon, trading continued dull and apareconciled to a continuance of dulness 1-4, and the firmness of the stock was remarkable in view of unfavorable were a little lower than Tuesday's close

ing. Total sales, \$7,983 shares.

Opening-Dulness was the only characteristic of the market, with prices s little under Tuesday's close, the sligh recession being perfectly natural after that day's sharp advince. The possi-mistic address delivered by C. M. Schwab naturally produced some effect on sentiment, which was also affected by less favorable reports regarding the

Mexican situation.
Steel opened % down, and increased its decline to % after a few minutes.

In Union Pacific there was a loss of In Union Pacific there was a loss of holders of share warrants upon de-ty, while Reading advanced to and positing them at the Guaranty Trust Amalgamated Copper was to lower at the start, which later sales increased making application for new shares.

Steel offered good resistance to reduction in price of wire and shading of for the first two months of the lines in reprices in other lines. It was thought by year dating from July 1 decline in respect to the strength of Steel stock celpts of \$107.656 and income declined 12.98 Mark 12.83 July 12.83 July by the company of stock to be offered to

cribed for at \$66 per share and 24,561 Mexican currency, shares of preferred were taken at \$160

morning and market developed no defin-ite tendency. Prices fluctuated within narrow lines and the Street is awaiting the forthcoming President's message to

the second hour caused some selling by speculators who had become disappointed, while a little buying came from that have decided to issue blanket and belief that trade is willing to abtractes who wanted to even up their traders who wanted to even up their traders rather than carry them over the holiday.

### STOCK EXCHANGE.

The relapse of the market once more into comparative duliness was decided-ly disappointing to traders on the Concollidated Stock Exchange who had thought that the upward movement of yesterday would be carried further. The market exhibited a softening ten-lency so far as prices were concerned

hales, compared with 56,831 hast week having been reported on the New York and 82,831 hast year same date. Market Stock Exchange up to 1.46 o'clock.

Market closed steady at 1 to 7 points Wilson's forthcoming message to Con-Wilson's forthcoming message to Con-gross. There was some talk about the shading of steel prices. Reading failed to sell higher than 160 5-8 in the early Consolidated trading, when it touched a high on the New York Stock Ex-change of 160 3-4. Amaigamated Copper did not get above 70 1-4 against 70 3-8, and American Can above 25-8 against 33-4. On the call Can changed hands at 29 1-4 against an early low subse-quently on the other board of 25-5. The disappointing action of the market prompted some traders to assert that stock had been fed out by "insiders" on yesterday's advance.
